

Spring 2019

The Original Muck Boot Company

Our story began in 1999 as we set out to create a boot with the sole purpose of enabling those who live, work and play in the most challenging conditions to perform at their highest level, undeterred by the elements.

We make premium products born from necessity, not luxury. Every boot in the line keeps you in your comfort zone with 100% waterproof quality.

As one of the fastest growing lines in the waterproof footwear market we are dedicated to life outdoors, and to helping you prepare for your next great journey.

Waterproof, weatherproof, whatever-proof. We put proof in every pair.

LIBERTY COLLECTION

Style Forward Boot

The Liberty Collection brings a fresh modernized look to women's functional fashion footwear. Built on Muck's tradition of comfort and endurance the Liberty Collection features fashion forward boots in stylish, distressed, full-grain leather. The result is an upscale casual look that works well with any outdoor, office or nighttime attire. All models feature a rubber rand for durability, and an outsole that's rugged without being chunky. Midsoles feature a neoprene strobel and ultra-comfortable molded PU footbed to cushion every step. Like all Muck boots, the new Liberty Leather Collection is 100% waterproof.

FAIRFIELD COLLECTION

Casual Leather

The Fairfield Collection incorporates Muck's time-tested combination of comfort, warmth and ruggedness and modernizes it with a leather-casual style for the ultimate in men's functional fashion. The oiled, pull-up leather is durable with an attractive patina that looks great in any work, play or commuter environment. All models feature an outsole that's rugged but subtly unobtrusive, and a midsole with neoprene strobel and ultra-comfortable PU footbed. Like all Muck boots, the new Fairfield Leather Collection employs 100% waterproof materials for maximum water resistance.

SUMMIT 10" INSULATED

The Summit Hunting boot provides all of the traditional Muck benefits yet with an improved fit and elevated comfort. The boot features three layers of comfort and support with a PU insole, neoprene strobel and EVA midsole for enhanced comfort. The Neoprene Strobel acts as an added layer of warmth to avoid heat being lost through the bottom of the foot. It also minimizes the break-in period as it is a soft pliable material. Primaloft acts as an additional insulation package that is breathable.
