

SCHEDULE A – APPLICABLE TO ALL LINES OF BUSINESS

Termination of Distributors/Resellers.

Upon termination or expiration of an Agreement with a Buyer that is a distributor or other reseller, for any reason whatsoever, Buyer shall be obligated: (i) to cease immediately acting as a distributor of Seller and abstain from making further sales of Products, except with the written approval of Seller; provided, however, that Distributor shall have the right to reapply to Seller to be an authorized distributor of Products to be determined in Seller’s sole discretion; (ii) to cooperate with Seller upon its direction in completing all outstanding obligations vis a vis its customers; (iii) to cease immediately making use of any sign, printed material, Trademarks, or trade name identified with Seller in any manner, and to refrain from holding itself out as having been formerly connected in any way with Seller; (iv) not to dispose of any Products purchased from Seller except to Seller, or as otherwise designated by Seller.

Trademarks.

The following provisions shall apply in distributor or reseller agreements:

(a) License and Use of Trademarks. Seller hereby grants Buyer a non-exclusive, royalty-free license during the term of the Agreement to use the trademarks, names, and related designs which are associated with the Products that Buyer is expressly authorized to sell and only in the territory in which Buyer is authorized to sell (the “Trademarks”). The Trademarks will be used solely in connection with Buyer’s marketing, sale, installation, and servicing of the Products. Upon expiration or termination of the Agreement, Buyer shall immediately cease any and all use of the Trademarks in any manner, except as needed by Buyer to sell its remaining inventory of Products pursuant to the Agreement. The rights granted to the Buyer pursuant to this Agreement are personal to the Buyer and may not be transferred, assigned, or sublicensed, by operation of law or otherwise, nor may Buyer delegate its obligations hereunder without the written consent of Seller.

(b) Acknowledgment of Rights and Trademarks. Buyer acknowledges that Seller is the owner of all right, title, and interest in, and to, the Trademarks. All goodwill resulting from the use of the Trademarks by Buyer, including any additional goodwill that may develop because of Buyer’s use of the Trademarks, will inure solely to the benefit of Seller, and Buyer will not acquire any rights in the Trademarks except those rights specifically granted in the Agreement. Buyer shall use the Trademarks in strict conformity with this Agreement and with Seller’s corporate policy regarding trademark usage, which shall be provided to Buyer from time to time. Buyer shall not (i) use the Trademarks for any unauthorized purpose or in any manner likely to diminish their commercial value; (ii) knowingly use any trademark, name, trade name, domain name, logo, or icon similar to or likely to cause confusion with the Trademarks; (iii) make any representation to the effect that the Trademarks are owned by Buyer rather than Seller; (iv) attempt to register, register, or own in any country: (A) the Trademarks; (B) any domain name incorporating in whole or in part the Trademarks; or (C) any name, trade name, domain name, keyword, social media name, account name, identification, or mark that is confusingly similar to the Trademarks; or (v) challenge Seller’s ownership of the Trademarks. Buyer shall not at any time, either during the life of or after expiration of the Agreement, contest the validity of the Trademarks or assert or claim any other right to manufacture, sell, or offer for sale products under the Trademarks, or any trademark confusingly similar thereto. Any trademarks, names, or domain names acquired by Buyer in violation of this Agreement shall be immediately assigned to Seller upon request by Seller.

(c) Samples. All advertising copy and promotional materials, including Internet web pages or designs, containing or referring to the Trademarks (“Copy”) which Buyer intends to use and its proposed placement must be approved in advance and in writing (including facsimile, email, and any electronic or digital format) by Seller to ensure proper usage of the Trademarks by Buyer. Seller shall promptly review the Copy received from Buyer and shall not unreasonably withhold its consent. The Copy shall be deemed disapproved if Seller does not provide a reply to Buyer within fifteen (15) business days of Seller’s receipt of the Copy. Seller may refuse to approve, and Buyer shall not distribute, any materials containing or referring to the Trademarks that derogates, erodes, or tends to tarnish the Trademarks, or otherwise diminish the value of the Trademarks, in Seller’s opinion. Buyer shall provide Seller samples of Copy for approval which differ in substance from prior materials used by Buyer and approved by Seller in accordance with the terms of this Agreement.
